**Tell Yourself:**

Just for today, my thoughts will be on my recovery, living and enjoying life without the use of drugs.

Just for today, I will have faith in someone in NA who believes in me and wants to help me in my recovery.

Just for today, I will have a program. I will follow it to the best of my ability.

Just for today, through NA, I will try to get a better perspective on my life.

Just for today, through NA, I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life.

So long as I follow that way, I have nothing to fear.

**What is The NA Program**

NA is a nonprofit fellowship or society for men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of abstinence from all drugs. There is only one requirement for membership, the desire to stop using. We suggest that you keep an open mind and give yourself a break. Our program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that they work.
