Common Ground

Finding common ground takes talking and time. Some of us are more articulate than others. We work hard to hear each other and to help each other express ideas. We show patience, encouragement and gratitude to our fellows for their involvement and remember that no voice is greater than any other. We never know where answers will come from or what new solution we might find together.

Secretary Report

Minutes were sent March 1st, I apologize for the delay. I've been in too many medical appointments with my son and lost track of how short a month February was. It won't happen again.

One hardcopy of minutes was sent by mail upon request and was delivered to the Candlelight group. There are two motions to vote on and one nomination for Web Page to vote on. We have Policy Chair, PR Chair and Phone Line coordinator vacant; please announce in your home groups.

Literature order, voting log and letter from Vice Chair regarding groups and subcommittee changes also was included.

25 copies of literature order, GSR reports and Subcommittee report was printed for this meeting.

Thanks for allowed me to serve.

Mayra B.

Corrections:

OPP asked for hardcopy but didn't receive minutes by mail. Contact list was updated to send it every month.

Motion to approve the minutes second by SASTOS. Minutes were approved. See attach voting log.

ADMIN REPORT

Chair

Pending item was the church lease and the amount of rent paid. Chair spoke with Marian – church person responsible and brought to the attention that the rent is \$45.00 but for some reason in August

they only received \$40.00, they accepted it, but now the rent will increase for the new lease to \$50.00 monthly.

Activities asked if the subcommittees are included and the answer was yes. Chair explains that ASC include Policy and Subcommittees the whole afternoon from 12:00pm until 5:30pm and include the choir room and the big salon. If they are meeting on another day than Sunday then they need to pay an extra \$50.00

A motion to accept the increase in \$50.00 was made and voted on. Motion pass with 15 yes and 1 abstention. See voting log.

Jim mention in order to avoid to paying rent that the Salvation Army is available for free but Vice chair correct that is not available.

Next meeting will be March 29th for the subcommittees and April 5th for ASC – area meeting and April 26th for subcommittees and May 8th for ASC – area.

Vice chair – Frank G.

WEB Page

All meetings that are changed are being swapped over and added to the web. The IT professional for FRCNA was change with the emails and phone calls. There still an ongoing situation with "Go Daddy" that with our login credentials are not working after the outgoing web servant turn back to me. He was able to resolve the issue and updated our credentials back. Problem was with some product card that we use and he can't log in into our account with the information he had. They ask for the last 6 numbers of the checking account we use or the last 8 digits of the card we use. The number was given to him doesn't work. Brought the attention that the old account was from Bank of America not BB&T bank that we have now, that could be the issue. He going to contact old treasurer to research or continue working until is finally resolved.

Motion goes back to policy for RCM to rewrite and clarify and submit for next month.

Nominations

No nominations. Still open PR Chair, Policy and Phone Line Coordinator.

New Business

OPP brought to our attention about the key with the new groups in Salvation Army and how could they handle it. Various ideas were mention like use a lock box with a code for each group or that the key is picked up by the group prior to their meetings. Totally Committed mention that as a group that use the facility are in the learning process and like the idea temporarily. Discussion determined that groups are autonomous and that the issue is to be discussed by the groups involved.

RCM is talking to Jim to inform him that in the GSR assembly there will be a workshop called "Meeting Etiquette" that will be a good resource of information. Those that can't go can stream it and would be good addressed during the meeting to get input from other areas.

SASTOS ask if they bring this situation to see who's going to pay for the lock box. She responded that just as information.

Unity Day:

Chair: James M.
Secretary: Pam

Vice Chair: SJ
Treasurer: Lucinda

Thank you all for your patience and allowing us to get you the correct numbers. Unity Day served its purpose. Kept addicts clean and helped share a clear message of Narcotics Anonymous. The event when all was said and done raised \$1,494.69 after bringing our prudent reserve back to \$2,500.00. Through my experience as chair I would make a suggestion for new ideas for next year. Over the last three years the numbers are going down but, the same results keep happening, new comers are staying clean, seeing there is a new way to live. Old timers still feel like they belong and the mid-timers see there is still a lot of work to do for the addict still to come and find us. God's work is definitely being done and you can feel his presence when you watch the miracles keep happening on that magical day. So I'll end on this: it was a honor to serve a loving God as he expressed himself and a fellowship I love and that saved my life. I encourage you all to join the committee next year. We need you and you are wanted here in NA.

PS: I have a printout of all expenses I have asked area service to add to minutes.

In loving services,

James M.

PR:

Hello family, PR meets this month on the 29th of February at the Circle Church at 2pm. We had an unofficial meeting at noon because all the confusion with times and places. PR will be meeting at 2pm at the Circle Church until further notice. We had 9 members attend this meeting and talked about a lot.

First I would ask that we table our proposal for our budget until the ADHOC finishes their financial report with the area gives recommendations. That way we can amend the budget properly. We are going to be meeting with the ADHOC to hear ideas and come up with a better solution for our printable. We are currently wasting too much.

Open positions within the committee are Phone Line Coordinator, Printable Coordinator. We still have no recommendations for chair. We did elect a secretary.

We as a committee are trying to get creative with how we use printable and coming up with ideas for H&I to present to the jail instead of the meeting list to help with the cost.

Upcoming event with PR – poster day will be March 31st at the DAV building at 10:30am. CIT training will be one in April 20.

In loving service,

Matthew K, PR vice chair
